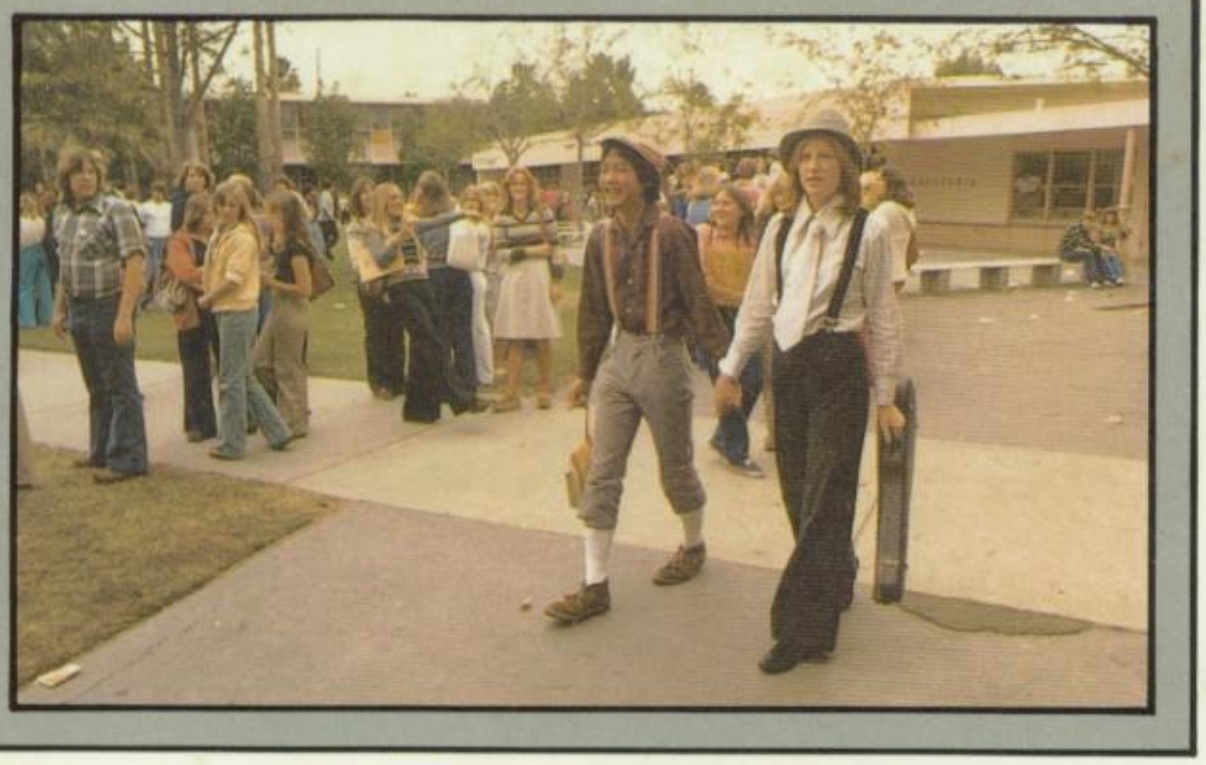
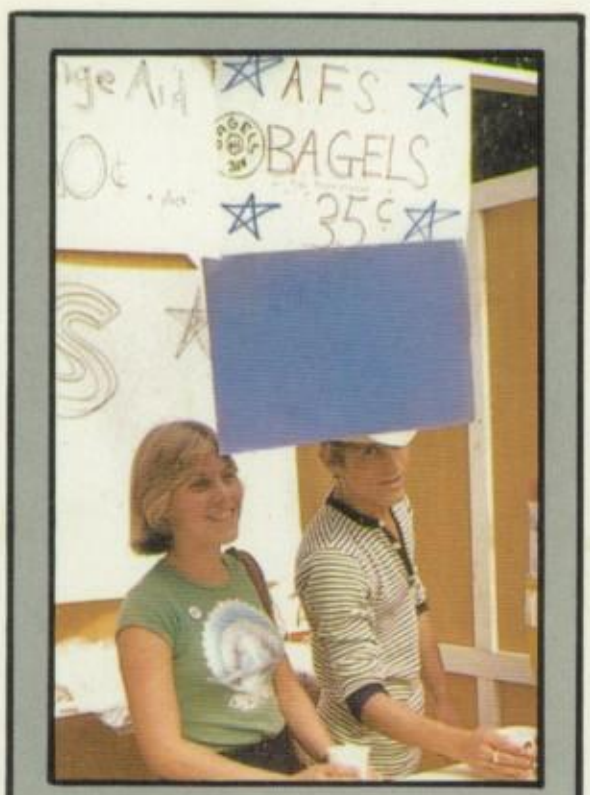
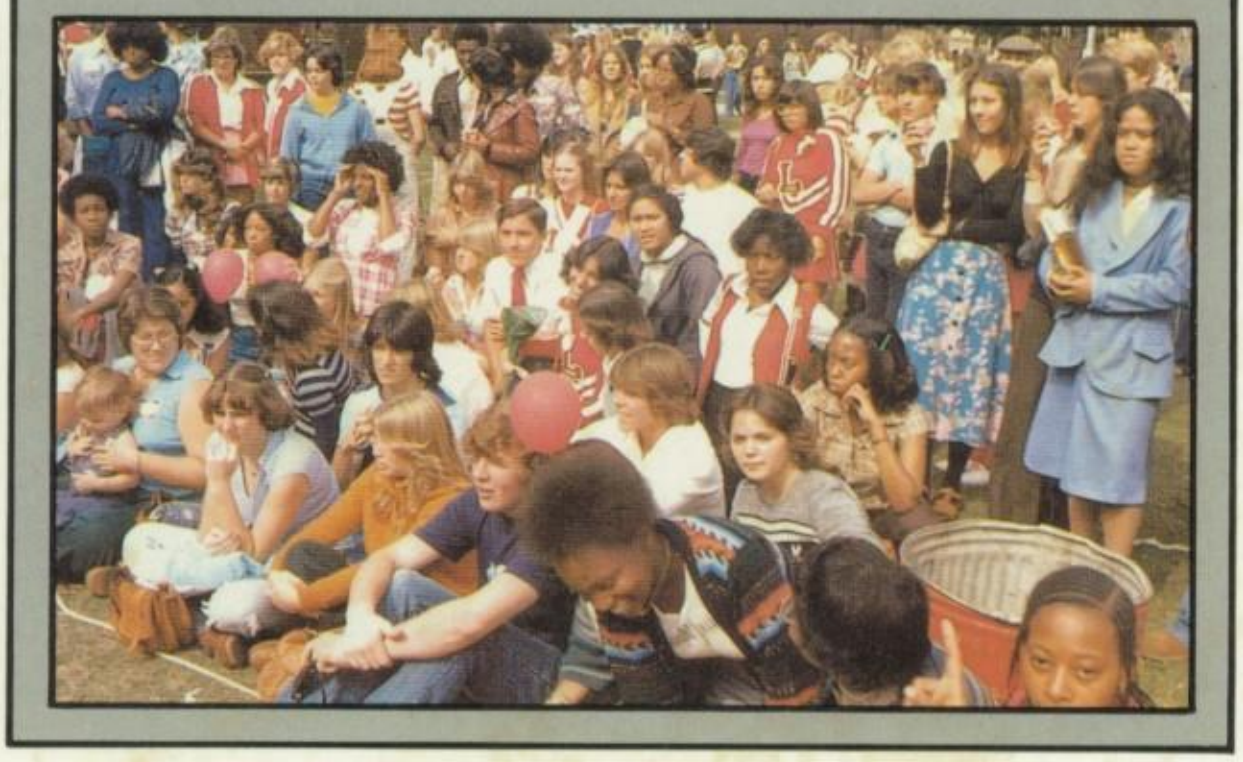
Shelley Dean







Shelley,
Your a real nice girl, even though I didn't get to know you that well. Have a great summer.

Manny DeBaca

Shelley. It's been a fun year but I'm glad it's over. French was boring but it was ok. Congratulations on making advanced dance. We'll have fun next year. Dance is gonna be great. Have a great Summer, & I'll see you next year.

All my Love,
Lisi

Shelley,
I'm glad we met this year you're a really sweet girl! I hope we have a lot of fun in Advanced Dance next year. Have a great summer.

Love,
Sherrie Gustafson

Shelley,
It's been fun having you in Bio. Too bad you're moving next year. But then, so am I. I hope you have fun and friends where-ever you go. I wish you the best. You deserve it. Take care of yourself.

Love,

Seasons

Years, like seasons, pass with the falling of leaves, the coming of rain, and then, new life and a sense of renewal. Through each season we shed a way of life and achieve another chance to grow. Like each of our

seasons

1978 brought many changes. While each day could not be sunshine and flowers, the many fruitful days brought smiles enough to outweigh any bad day. Each and every person and every staff member help to make the times at Lakewood High School a beautiful experience and an unforgetable year.

Welcome to Lakewood

Three months of summer had passed and once again it was time for Lakewood High School to open its doors. For some, it was the new experience of high school life. September 12th found many sophomores somewhat bewildered by the size and scope of the school. For others, it was the more comfortable experience of seeing old friends. For the seniors, it was the last chance to gather and be a part of the unique phenomenon known as the first day of

school.

New teachers, new students, registration, getting lost, a hundred different bells and schedules, and the excitement of a bustling school all made the day something special.

Friendship

No dictionary can define the true meaning of friendship. Whether through clubs and organizations, sports and teamwork, or classroom situations, many priceless friendships were established throughout the year as the sophomores became

acquainted

with high school life. Juniors got involved in more activities while seniors prepared to wind up their high school experience with graduation. From the football season to the baseball season there was always the chance to get together and to celebrate the joy of being Lancers. Every aspect was explored, felt, and shared by all of the Lakewood High School students.

A Day in the Life of. . .

Whether you rode a bicycle, hitched a ride from a parent or friend, walked, or drove to school, you were beginning a day in the life of a LHS student. For some, the first day of every week or just first period was a little tough, but soon enough the

lingering

laziness of summer wore off and an everyday regimen was established. Getting to school before the 8:20 morning bell was a difficult task for many of the students who enjoyed their sleep. For the students who were involved, leaving the school at 3:00 was even a greater problem.

9. MR. HOLZMAN hands out the final reward for hard work.

Academic Achievements

Lakewood High School's curriculum offered something for everyone. Students were given the chance to enhance or to enlighten their interests this year with a wide variety of courses that proved the cosmopolitan qualities of LHS. The year was marked by great academic achievements as shown by the many scholarships received by LHS students. Extra-curricular activities appealed to athletes, actors, cosmetologists, and to those who worked on the switchboard. A new on-campus ROC/P class in bicycle repair was

6

taught

in the industrial arts area. Other ROC/P classes were held on other campuses and ranged in interests from auto body repair and office management to cosmotology and aviation. Academic accomplishments were the primary achievements of the 1978 Lancers.

Teamwork

Whether it was classwork with a friend or activities outside the school, the idea of students and teachers being involved as a group often lead to the successful organization of a project. Many pulled together like this and proved that teamwork got things done much easier and quicker than individual effort. Groups such as band, cheer, pepsters, clubs, and athletes

combined

individuals as one and drew all the students together whether to participate or just to speculate. Lakewood had many individual projects, but there was always a group of students willing and ready to help.

Traditions

Among the many assets of which Lakewood High could boast, no doubt the traditional Lancer pride was the greatest. Our pride in teams, academics, and in the school traditions themselves were evident throughout the year. With the arrival of a new class of sophomores came a renewed sense of spirit, helping them to beat the juniors and seniors in

spirit

competitions and lunchtime activities. Once again, homecoming, one of Lakewood's greatest traditions, exhibited the pride which each class, club, and committee felt for the school. Class ring orders increased this year, displaying the growing sentiment for the school. From the presentation of the colors by the ROTC to the final Medallion Diploma received by the last grad, LHS was filled with traditions.

Hail Lakewood High School
Hear now our song
Fair Alma Mater
Faithful and strong
We'll always praise thee
Who ne'er can fail
So hail to our high school
Lakewood High, all hail

Our colors glorious
The red and white
Ever victorious
We'll show our might
Thy sons and daughters
E'er will be true
To thee, Alma Mater
True for aye to you

And to our high school
When we depart
We'll always keep thee
Close to our heart
Though we must leave thee
It's with a sigh
For we'll always love thee
Our dear Lakewood High

People and Places

As students began another year of school, many of the old meeting places were re-established and many new areas were found. The local hamburger hang-outs remained as the one place everyone gathered to find out about people and places. Concerts were a big weekend

attraction

as students flocked to see their favorite groups perform. Many students found good friends and plenty to keep them busy on the Lakewood campus, while others found skiing, sailing, and hiking their favorite activities. The people and the places that were the favorites were the ones found at Lakewood High School.

A Special Time

As the seniors reminisced over the memories they acquired during their years at Lakewood, the juniors felt the sensation that they would soon be the adults on campus. The sophomores were beginning to realize what an experience high school really was. This year proved to be truly special for all LHS students. Once again, Lakewood was to

reign

supreme among the other high schools in the Long Beach area, as the spirit and enthusiasm reached the highest peak in years. Students became involved with LHS and its activities, and their excitement led all sections of the school to their most successful year ever.

It Happened in '78

The football team had a better record than it's had in years; the winter holiday dance was the big event of the fall semester; pepsters, Lancerettes, and Bannerettes performed their way into the hearts of many a student; the cabinet worked throughout the year to represent the students and their ideas; Millikan went into competition for the PTA drive with LHS as the victors; report cards once again remained the biggest cause for

9

shock

and amazement; and the graduating class of 1978 said goodbye after their big night at the prom and graduation ceremonies. All of these events will be remembered because they happened in '78. Hairstyles, shoes, skateboards, bubblegum-blowing, frisbees, and frozen yogurt worked themselves into Lakewood life very well.

Weekends Were Made For . . .

When the five days of hard work and studies were over, students started planning their activities for the two days of pleasure ahead. The weekends were made for enjoying hobbies, seeing your favorite groups in concert, having a date with a certain special person, or just catching up on a few extra hours of sleep. The LHS students, like most teen-agers, found a certain place to gather at and join their friends to converse over the

happenings

that took place. Jack-in-the-Box remained the Lakewood hideout. Parties were the most exciting events, giving students a chance to relax and enjoy the two day weekends. For many students, jobs offered the surest way to obtain the money they needed to enjoy their leisure time. Skateboarding, cycling, backpacking, surfing, sailing, and hang-gliding were among the most popular Lancer weekend activities.

Lakewood's courageous cabinet, led by Activities Director Fred Kimbrel, kicked off the year with a PTA drive in which Lakewood rifled the Rams. The canned food

was another high point with over 10,000 cans collected. With the combined efforts of the entire cabinet, the Winter Dance turned out to be a mid-year social highlight. All of these activities took immeasurable time and effort on the part of all cabninet members.

Winter Dance

Tradition and progress were exquisitely blended in Lakewood High's annual winter dance. The event afforded students the socializing and mingling that was so popular throughout the year. Formal gowns and fancy suits were the dress; happy faces and mellow relationships were the

moods.

Among the most popular songs played by the outstanding group "Elephante" were "Brickhouse", "We Will Rock You", and "Stayin' Alive." King Stanley Williams and Queen Brigette Lindsay reigned over one of the social events of the year.

Harvey

"Harvey," one of the most popular and successful plays in the history of the Broadway stage, was performed this year at Lakewood. The story of Elwood P. Dowd, the lovable drunk, and his imaginary friend, the very large and invisible

rabbit

thrilled capacity audiences. The attempt by Elwood to get his sisters to believe in Harvey and maintain his sanity had many usual twists and turns. Fine performances by Elain Schoepf and Paul Read highlighted the play.

The S
Mus

Musical

This year's presentation of the musical, "Sound of Music," marked the first revival of a previous production. The story is based on the escape of the Von Trapp family from their native Austria just prior to the outbreak of World War II. It opened as a Broadway musical in 1959 and became a very

popular

movie in 1965. Beautiful songs, a romantic setting, and a heroic story were blended by the Lakewood cast in this very popular and successful production. Mr. Schmitt, Mrs. Moore, and Mr. Bartkus were instrumental in the orchestration and direction of the production.

Vocal Groups

Under the direction of Mr. W. Schmitt, this year's choral groups proved to be one of the most dynamic organizations on campus. The barbershop quartet was composed of four young men dedicated to the songs of the past. The Cecilian

Singers

performed at assemblies and festivals throughout the district, while the 'Stalgia Singers reminded us of favorite tunes of a former time. Alone, in a group, or all together, singers provided joy for all music lovers.

Orchestra

The student members of the LHS Orchestra pulled together to form an outstanding company. The students had a most rewarding year under the direction of Mr. Jerome Bartkus. In the

spring

of this year, orchestra took part in the Spring Orchestra Festival, a competitive program for school orchestras. Our school musicals were given an extra added appeal with our very own orchestra playing along with the voices on stage. Overall, the LHS Orchestra was a major highlight and an enjoyable asset to our school.

Shelley
Hi. What a beginning, Oh well.
Now that you come back for one year,
you're going to leave again? You
dummy! Not really. I'm just
kidding. When you move, send me your
address. Don't forget to write. Have
fun in your new school even though you
know you left the best school. Oh well.
If you do decide to go to college, call
me or write me and tell me what it's
like. O.K.? Keep up with your violin.
You're good. Well, I hope you can have
fun without me. Oh well, just kidding.
See ya,
Linda

Band

The 1977-78 Lakewood Lancer Marching Band aroused great spirit in all LHS students. Pep rallies, assemblies, Homecoming, and assorted sporting events gave the Lancer Band its greatest chance to

the homecoming theme, "Nobody Does It Better Than Lakewood." Experienced leadership by Director Jerry Bartkus, Drum Major Paul Gee, and each section leader brought LHS another year of wailing music. These great musicians and their leaders kept Lakewood's #1 spirit alive.

Homecoming Week

The events that took place during the five days preceding this year's homecoming game added to the suspense and excitement of the occasion through student participation in games, activities, and demonstrations of school spirit. Watching egg cake on the unsuspecting victims of the egg toss and participants in the dance contest funking their way into the hearts of every chicken in town sparked spirit into LHS coeds and into the teams about ready to compete. Rootbeer chuggers and innertube racers tried to beat the clock and each other as over 3500 students and visitors celebrated our soon-to-be victory. "Nobody Does It Better" was ultimately proven by our victory over Poly in an exciting game. The entire week on the LHS campus

scored

a big win in the fun and excitement departments. Close friends were reunited and new friendships were begun. Teachers and students shared the festivities of the day, and the afternoon was highlighted by the announcement of Mr. Touchdown, the Homecoming Queen and her court.

With the theme of "Nobody Does It Better," Homecoming week was highlighted by the crowning of the queen and her court. As the varsity football team looked on, Coach Ford presented the prestigious award of Mr. Touchdown to Tom Tereschuk, A hush fell over the crowd in anticipation as students and alumni waited for the results. A roar of excitement

burst

forth as Teri Raymond was named the 1977 Homecoming Queen. Jill Thomsen, Senior Princess, Cathy Garcia, Junior Princess, and Kim Carson, Sophomore Princess were crowned as the court.

Varsity Football

When the 1977 Moore League football season began, it was expected to be tougher than any previous year; those forecasts proved correct with four of the six teams going to the CIF playoffs. Coach John Ford's Lancers took third in this difficult league with a 4-2 record. Lakewood started the

competition

by defeating the Panthers 42-14 in an exciting contest. They were also the victors against Poly in a thriller with a final score of 21-14. In their next two decisions, they came up on the short end, losing to the Tarbabes and to an explosive Millikan offense. The league finale against a must-win situation, saw the Lancers come through by defeating the Bruins to assure themselves of a playoff berth. So many contributions were made by so many different players and coaches that one could not list them separately from the rest. Without this team cooperation there would be no way to uphold the Lakewood tradition of winning.

JV/Sophomore Football

The 1977 JV football team kept the Lakewood tradition of winning; they were the Moore League champions, losing only one game to Jordan. They then bounced back to win their next four matches — beating Poly, Compton, Millikan, and Wilson. The team was coached by Al Taylor and Rick Miller who have never lost their Lakewood spirit. Standouts among the junior varsity players were Robbie Froyd, Pete Hillis, and Bill Porter. The coaches felt that their teams'

character

is what made them different from other teams. When at full strength, the sophomore team showed evidence of following in the varsity footsteps by having an outstanding passing game. They were led by quarterback Mark Fitzgerald with other standouts being Mark Garrison, John Tripp, Barry Jacobs, and Troy White. Both teams showed the promise that the varsity relied on.

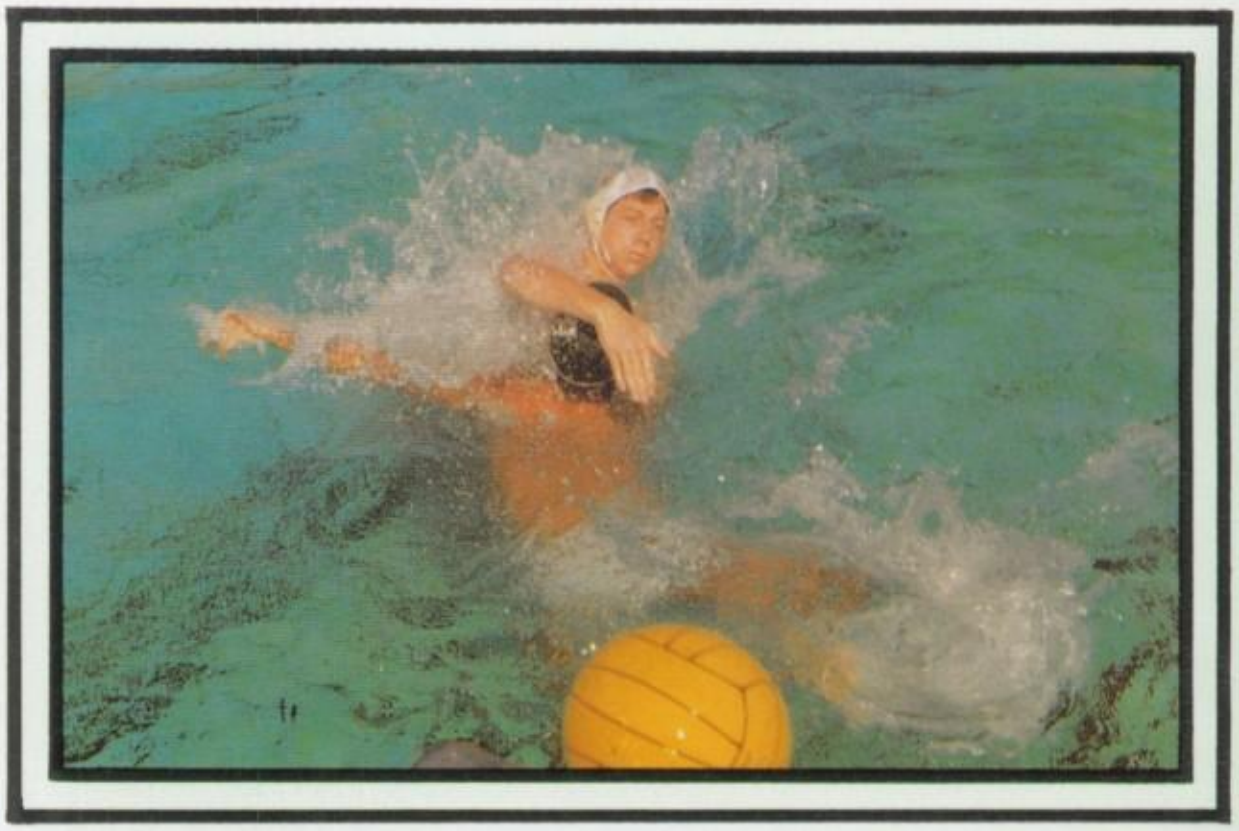
Varsity Water Polo

Lakewood's varsity water polo squad has always been a great competitor in Southern California. In the Moore League opener against Jordan, they outscored the Panthers 17 to 13. However in the following match against Poly, the Lancers were stunned 18 to 9. Regaining their composure, they proceeded to beat Millikan 7-6, and they ended the season with an 18-6 loss to Wilson. The two/two record was good for a third place finish in the always tough league. The year's



standouts

were co-captains Rick Jones and John Dixon, with Nancy Kuestner, junior Scott Morrison, and goalie Doug Childress also turning in fine performances. Lakewood had the proud distinction of having the only distaff member as a regular league starter. Coach Krebs maintained a fine team throughout the year.

JV/Sophomore Water Polo

Led by varsity Coach Otto Krebs, the junior varsity water poloists put together another fine performance this year. Against the Jackrabbits, they turned in a remarkable performance by winning 19 to 5. They were also victorious against Jordan, beating them hands down; however, always competitive Wilson and Millikan squeaked by a fine Lancer squad. The JV team was led by co-captains Mark Harmeier and Bill Gibson, with an especially fine

performance

by Chris Beck defending the goal. Other standouts were John Christian, Craig Grell, and Kyle Collins.

The sophomores, coached by Klaus Barth, turned in a very respectable season. One of the many team highlights this year was the 11 to 10 victory against Corona Del Mar, a game with double overtimes. Co-captains Mitch Alves and Dave DeGrazia led the team which also included H_2O experts Jim Mogan, Vince Arthur, and Ron Vos.

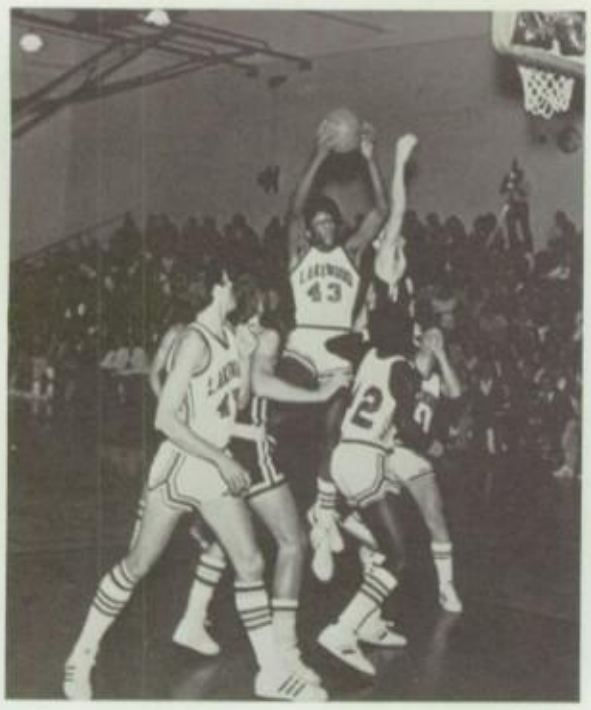
Varsity Basketball



This year's Lancer basketball record did not even begin to reflect the greatness of this team. Although they finished with an overall record of 10-12, they were one of the biggest threats in the Moore League. In pre-season action Lakewood won the consolation bracket of the Beverly Hills tournament and they also destroyed St. Anthony in a game that saw Tim Modica shoot 11 for 11 field goals. In Moore League play

overtimes

were Lakewood's major problem. Their first overtime was against third ranked Poly which Lakewood narrowly lost by one point. In their next contest against Compton the Tarbabes just barely slipped past Lakewood in overtime. In the most exciting game of the year Lakewood squeaked past Millikan in 4 overtimes. In that game Darryl Pettit swished a 45 foot shot with a second left to tie it up and eventually allow Lakewood to win, 92-91. The Lancers were led by Bill Norris, Tim Murphy, Barry Pratcher, and Darryl Pettit. Great help also came from Ken Hironimous, Tim Modica and Jim Webb. With all this talent and through many hours of practice the Lancer team terrorized their opponents and came out with the winning spirit which is typical of Lakewood teams.

JV/Soph/Soph Reserve Basketball

Junior Varsity Coach Andy Stoglin did an outstanding job preparing his players for the tough varsity squad next year. Controlling the boards were the team centers Dan Schoepf and Ben Schimdt. Forwards consisted of Ken Potter, John Parbst, Pat Brubaker, and Chuck Acrie. Mike Ries, Robby Froyd, Terry Hedberg, and Derek Wright also did fine jobs playing guards. The Sophomore's were the Moore League

champions

with an 8-2 record. Starring for Coach Melvin were guards Steve Guitterez and Dave Ortiz, center Tom Steinke, and forwards Dave Morrey and Kenny Heaton. For this young team the future looks very promising. The Sophomore Reserve team also had a very pleasing season. Standouts included Bobby Harris, Craig Christensen, and Eric Winters. This team contains the future stars that the varsity relies on.

Baseball

The 1978 Lakewood High School Varsity baseball team was one of the best teams in LHS history. The team consisted of fourteen returning lettermen, and out of those fourteen, six were starters. Spearheading the Lancers awesome

attack

were Kenny Briggs, Mike Buckley, Ron Dearth, Mike Fitzgerald, and Mark Clabough. Other fine contributers were John Arnold, Ken Hironimous, and John Wyman. Heading the pitching staff were Mark Clabough and Kevin McKenna. Relief from the bull-pen came from Mark Thomson. In their Moore League opener against Jordan the Lancers showed their full potential. In that game Kevin McKenna pitched a two-hit shut-out and Ron Dearth drove in two runs in a 3-0 Lancer victory. In their next game against Poly Mark Clabough pitched a perfect game by retiring twenty-one batters in a row. This team used Coach John Herbold's welcomed advice to the fullest degree of quality and by doing this they turned out another fine season.

JV Baseball

The 1978 Junior Varsity baseball team again proved themselves as winners. This team which had six consecutive Moore League titles to uphold was loaded with talent. Juniors Mark Thomsen and Pat Crough helped the team with their fantastic batting

ability.

Other fine sackers included sophomores Mark Fitzgerald and Mike Dobbs who helped the team with their breathtaking glove work. The pitching chores were handled by three sophomores Brian Myers, Cameron Caudill, and John Drew. When the starters got in trouble they relied on two great relievers, Steve Denten and Kirby Kariger. Coach Matty Lampson and Coach Rick Arnold both did a fine job preparing this team for the tough varsity squad that lays ahead of them.

Cross Country

Running through Heartwell Park, City College and to Zody's and back resulted in a string of victories for the '77-'78 Varsity Cross Country team. Not only did the Lancer runners compete in Moore League meets, but also faced

stiff

competition in the Pacifica, Costa Mesa, Palos Verdes and Mt. Sac Invitational meets. They finished the season in second place. Returning Varsity Lettermen included: Bill Laird, Dave Robison and Richard Wilkie. Bill Laird was Lakewood's solo representative in CIF competition. The JV team led by David Durst, Glenn Schwartzbach, and Jim Teissere, settled for a disappointing third place. The experience gained in this year's season should assist the harriers in preparation for next year's team.

Varsity/JV Track

In the past Lakewood track teams were full of talent, and 1978 was no exception to that pattern. Among the many harriers were Bill Laird, Dave Robison, and Richard Wilkie who all ran the mile and 2 mile distance very well. Mike Petersen also starred in the high and low hurdles. Starring in the field events were high jumper Steve Jones, and pole vaulters Jon McLendon, Clark Pearson, and Duane Summers. The JV's who are next years

potential

varsity stars also did an outstanding job. Standouts included hurdler Dan Dantine, sprinter George Cippoline, long jumper Dale Stewart, miler Greg Chriss, and 440'ers Jerry Maples and Bob Kantz. Coach Meyers, Coach Ryan, and Coach Taylor as usual were very very proud of their teams.

Soph/Girls' Track

This year's sophomore track team had many standouts who helped contribute to a great season. One of the standouts, Scott Pruden, achieved recognition in the long jump and both the high and low hurdles. Other fine contributers to the sophomore team were Dave Weeks in the long jump and Anthony George who ran the low hurdles. In their first year of Moore League action, the girls' track

debut

proved to be interesting and eventful. Coaches Patty Cape and Leslie Lindsey felt that their young team has a lot of potential and is a future team to look out for. Standouts included Julie Prior in the one hundred and 200 dashes, Yvette Jaques in the quarter mile, Cheryl Gilpin in the 880, Cindy Walden in the two mile, and shot putter Shawn Williams. Both the boys' sophomore and the girls' track teams showed the endless energy which is essential for all good track teams.

Wrestling

The 1978 Lakewood Wrestling team, coached by Dennis Lyman, was the best team in the history of LHS. Their total record was 12-2 and they had a league record of 4-0, finishing first in the Moore League taking the seven year dynasty away from Millikan. In the CIF-SS Western Sectional competition they finished first out of 57 schools and in the CIF-SS Finals they finished fifth out of 252 schools. This awesome team of

grapplers

contained five league champs: Daren Macdonald at 98 pounds, Dean Venanzi — 123, Rick Gardner — 141, Chris Fuertsch — 148, and Tim Heslin — 157. In the CIF prelims Gardner, Heslin, and Fuertsch took first, Venanzi took second, and Macdonald fourth. Those placements were enough to qualify Fuertsch, Gardner, and Venanzi to the CIF finals where they finished second, fourth, and six respectively. After qualifying for the state finals Gardner and Fuertsch competed and Fuertsch placed second. The JV team under the leadership of Coach Jurgensen were the league co-champs.

Swimming

Under the leadership of Klaus Barth the varsity swim team turned out another remarkable season. Though the varsity swim team suffered only one loss it put them in second place behind the undefeated Wilson. Some outstanding swimmers were Captain John Dixon, who swam the 50 and 100 freestyles, backstroker Rick Jones, and breaststroker Scott Morrison. Other fine contributors were Mark Lamb, Kyle Collins, Greg Grant, and Nancy Kuestner. Under the

leadership

of Everett Uchiyama the JV and sophomore teams also held their own. Both teams finished third in the very tough Moore League. Jay Lamothe, Jim Mogan, Dave De Grazia, Mitch Alves, Tony Navock, and Ron Vos all performed well. The swimmers accomplished their highstandard through many long hard hours of practice before and after school in icy waters.

Gymnastics

Although the Lancer Gymnastics team has the best record of any sport it isn't appreciated by the student body as much as some sports. Some outstanding gymnists were John Meyer on the highbar, Kevin Patterson, Brian McBride, and Frank Jaimes on the rings, John Risetter on the parallel bars, and Steve Loefler on the side horse. Girls Lisa Baldwin and Sandy Ferrari also did a fine job for the boys team. The team also contained a foreign exchange student, Alex Galleguillos. In their first year of action the girls' gymnastic team showed much skill and poise which was essential to prove themselves to their opponents. Standouts included Lise Singrin and Diane Merrill in the all around competition. This includes the bars, beam, vault, and floor exercises. Donna Davey also did a fine job in the floor

exercises

and beam routines. The team which consisted mostly of sophomores have high hopes of winning by the time they're seniors.

Golf/Tennis

Coach Gough's Golf team as expected had another fine season. They were led by six returning lettermen, Steve Neighbarger, Perry Tarnofsky, Jim Hayes, Murray Falk, Tom Dennis and Garth Passantino. Mark Hannah, Brett Holloway, and Benny Del Carpini also combatted the 18 holes superbly. Individual sports like Tennis and Golf take a vast amount of determination and endurance. The Lancer Tennis Team was successful due to the the efforts of a new coach and an excessive amount of talent. Coach Kerbs is definitely a winner, and this year produced quite an

impressive

team. Although the Tennis Team has had troubles in the past, this year they proved to be dedicated, talented, and experienced. Most of the experience is contained in two returning lettermen, Grant Dawdy and Mike "Royce" Schwenn. Between themselves they have had a constant battle for the number one position. Other outstanding varsity players were "Sly" Guy Magnera, Mike Calvert, John Poto, and Andy Phan. This year's JV Team showed great promise for the future varsity squad.

Volleyball/Tennis

With only two returning letterwomen, this year's varsity volleyball team did an excellent job. Although they ended up with a third place in Moore League, the volleyball team was tied for first place with Millikan and Wilson throughout most of their season. They were led by Nancy Hogan, Melodie Holley, Diane Rasmussen, and Kim Ruoff. Sophomore Heather Forbes also did a fine job in her first year of action. Although the JV team ended up in fourth place, they are expected to be a great

threat

in next year's Moore League competition. The 1977 tennis team finished in second place behind Poly. Their performance was good enough to put them in CIF play-offs and Moore League individual finals. Coached by Ms. Gonzales, they were led by single players Karen Arnold and Amy Baker, and double players Nancy Doran and Sheila Kalman. The superb JV's came in first place.

Cross Country/ Basketball

With the addition of Girls' Cross Country to CIF competition this year, Lakewood dominated the league. Coming in a very convincing first place, they went on to come in seventh place at the CIF playoffs. This was

fantastic

for their first year in competition. Although beleagued with injuries such as strep throat, broken legs, and motorcycle accidents, they were led by Jamie Bowen, Cheryl Gilpin, Cheryl Thompsen, and Cindy Walden. After an overall fine season, the 1978 girls' basketball team had a misleading record. Under the guidance of Trish Ryan, several individuals shone during the span of the season. Carol Heaton, a two time all Moore League player did a fine job at center, forward Julie Herrera did an excellent job rebounding, and three letter person Michelle Mazure played a flawless position at guard. Guard Bridgette Babi and wing Sheila Kalman contributed fine performances to round out the starting five.

Softball/Swimming

A combination of experienced players plus five returning varsity alumna teamed with promising sophomores formed the nucleus of this year's softball team. The battery combinations of Julie Herrera, Opal Bartels, and Connie Christian plus strong defensive play from infielders Debi Hammond, Cindy Popejoy, and Lori Fumar challenged all contenders. With returnee outfielder Bridgette Babi, senior Michelle Mazure, and sophomore Tracy Halsh it made for a strong outer defense. The 1978 Swim team was full of

style

and grace which led to an outstanding season. This team was led by Yole Yusharyahya who swam the backstroke. Brenda Smith, who has been to the Jr. National AAU tournament, and Nancy Schuster contributed fine efforts in the backstroke while Gina Blincoe and sophomore Anita Nickols proved themselves winners in freestyle swimming. Both the softball and swim teams did an excellent job representing LHS in competition.

Badminton/Dance

With the addition of Bellflower and Artesia High Schools into badminton competition, this year's team again proved themselves as winners. They were led by singles players Karen Arnold, Shelley Egherman, and Theresa Sanchez. Denise Brown, Terreea Kilgo, and sophomore Laura JanKowski also did a fine job. Tennis transferees Cheryl Black and Andrea Goodwin helped too in this great team effort. Led by Ms. Prince, this year's dance class was as

creative

and skilled as ever. The advanced class production, "The Heart of a Dancer," was held on March 10 and 11 and was a smashing success. Some of the excellent acts included, "Hoe Down," "No Escape From Reality," "One," "Send in the Clowns" "Whatever You Do, Don't laugh," "Tornado," and "Musiand the Mirror." Before the winter vacation, the beginning and intermediate dancers put on an excellent Christmas Concert.

Groups

Academic Athletes/ Accolade/ Ghost Club/Key Club

Under the leadership and direction of Coach John Herbold II, the Academic Athletes in Action worked together to prove to the students that the stereotype of the 'ignorant'' athlete was wrong. Varsity lettermen with a 3.0 gpa or higher, combined together to organize the club.

This year's Accolade was another success with Mr. Pikop supervising. The creative writing class ensembled the Accolade. The contributions turned in were original works ranging from poetry to short stories. The Accolade is a publication

handled

mostly by the students.

Lakewood's newest club formed was the 1977-78 Ghost Club. The club's activities, in spite of the fact of its activeness, went unseen throughout the year.

This year's Key Club formed into two groups — Key Club, staying the original boys only club, and Keyettes which allowed the female sex to be members. As always, the Key Clubs were active not only on on-campus activities, but also on their welfare projects. Keeping in the tradition, pickles were sold at this year's Expo.

Once again Pep Club earned its red and white by displaying its enthusiasm at each and every Lancer sport event. For the first time in the club's history, male members took part. Fund-raising, pep rallies, and participation in Club Day and assemblies were a big part in the lives of the Pep Club members.

Students who were interested in performing dramatics for more than just one class period, made up the club of the Thespians. An organization of fine, talented actors, the students

participated

in the LHS play and musical "Harvey" and "The Sound of Music."

Presidents of the on-campus clubs were kept busy throughout the year not only with their club meetings but others, too. Inter-club Council Presidents Karen Lee (Fall) and Linda Walton (Spring) held mandatory meetings every other week.

GAA/Sophomore Writes/ Quill and Scroll/Ski Club

The members of the GAA Board again worked diligently to give girls' sports a lift. Their combined efforts helped keep Lakewood girls' sports on top.

The LHS Sophomore Writes group worked together to compile the creative writings of the class of '80. The staff was made up of a group of enthusiastic sophomore students who had some previous experience in the creative writing field. Short stories, essays, and poems were produced into the 11th annual literary magazine.

Quill and Scroll, under the leadership of Mr. Genisauski, worked to bring the Lance Staff closer together. They helped publish the bi-weekly copies of the Lance.

This year's Ski Club, Sports of Kindling Interest, did not meet with the same problems as last year's. This year, there was SNOW! President Marianne Robinson and Vice-President Andy Jones led their group of fearless athletes on two adventures. The students were seen

hot dogging

down the slopes in Colorado during spring vacation and also down the Tahoe Mountains. Besides going places, there were also demonstrations that showed not only the members of the SKI techniques but also other interested students.

AFS/Bee Club/Peddle Pushers

AFS, a program that has been helping students from many countries travel and study in foreign schools, came to be a well-known club on campus. This year LHS was extremely pleased to have Betty Miller of Barbados and Alex Gallugullos of Chile. Both Alex and Betty were active in school activities throughout the year.

Mr. Riley was the staff advisor for Lakewood High's infamous Bee Club. The organization is dedicated to the propostion that all bees are created as equals. The members busy themselves with the collecting of honey and listening intently to the

buzz

of the drones. Bee Club has an unusual purpose, but Lakewood students were supporters all the way.

Giving students a chance to peddle to their heart's content was one of the aims of this year's Peddle Pushers. The club's president, David Shapiro, led the group of bike loving students on field days, to lectures, and bicycle trips.

The stage crew could be found behind the scenes at all the activities handling the lighting and technical work, making sure that all of Lakewood's productions went well.

Artistic students with creative minds made up this year's Chamber of Commerce. Helping to develop creative and originial slogans were only part of their jobs as making posters to publicize the Lancer activites were the rest.

Going into competition against other schools was only part of the things that this year's LHS Math Club accomplished. Along with their mathematical

ability

the math team also participated in on-campus activities such as Homecoming and Expo.

The California Scholastic Federation worked to give Lakewood High School students an incentive to achieve academic excellence.

DECA/Elementary Aids/ Human Relations Advisory Council

DECA, Distributive Education Clubs of America, provided useful services for students with business-oriented career goals. The DECA group at LHS consisted of one advanced class, and one applied sales class. Members learned the principles of running a business. They experimented with different sales procedure techniques and became well-versed in the operation of cash registers and other business machines. The Applied Sales class members gained valuable experience working in the student store and snack line.

The elementary aides of LHS volunteer their services to neighboring schools. By helping youngsters, they do themselves a favor by introducing themselves to experiences in the teaching field. The Elementary Aid program is beneficial to all concerned.

The Human Relations Advisory Council at LHS proved to be one of this year's most productive and

dynamic

committees on campus. With a wide range of staffers and students, the council accomplished feats far beyond the expectations of all involved. With such happenings to their credit as the Chrysallis assembly of 1976, the committee went on to sponsor the overwhelmingly popular "Fat City," a new and different approach to Black History Week, and a self-exploratory camp for members and students alike. The council was under the superior direction and support of Vice-Principal Mrs. Dorothy Harper. Homecoming for them was a big success and spurred them on to victory in heightening the awareness between student and student and teacher and student.

copy

was written and rewritten, layouts were perfected, pictures were taken and cropped, and eventually deadlines were met. This combined dedication led to another successful LHS yearbook.

Mr. Harold I. Judson

Mr. Harold I. Judson, Lakewood's principal for the sixteenth year, remained the school district's most active and involved administrator. As a man who

participates

in the activities he promotes for students, Mr. Judson is always on the go. Whether he's skateborading down Briercrest or offering aid to the workers in the student store, everyone was convinced that he was doing something good for someone. Guiding a staff of four assistants, Mr. Judson stressed academic achievement and regular attendance. His attitude and spirit keeps Lakewood number one.

The counselors, administrative staff, and nurse worked in unison to create a fulfilling year for all Lancers. Attendance, discipline, health care, and program changes were among the most common problems they solved. "What strikes me most is that students were involved and got behind our

Social Studies

United States History meant the study of General MacArthur and the midnight ride of Paul Revere; it also meant fun things like term papers and preliminary SAT tests. But while juniors studied the history of our continent, seniors and sophomores pursued vital studies of political science, world problems, and current

affairs.

Other classes, such as sociology and the psychology of love and marriage also sparked coed's intersts. Some Lancers, in pursuit of more credits and knowledge, also enrolled in a city college night class in psychology. The Social Studies Department played an important role in LHS academic life.

Math

For students who were more interested in the mathematical world of square roots, circumferences, and algebraic expressions, the math department at LHS gave them the opportunity to explore the fascinating world of mathematics. Among the newer classes offered were statistics and

probabilities

and computer programming. The department made a special effort this year to teach practical problems as well as abstract figures; many 1978 Lancers found some of their favorite classes in this department.

Science

With the many diverse courses of study offered, the interested science student could choose from a wide selection of classes. The beginning science students might have chosen biology and worked up to a more complicated course such as physics. Physiology was a popular choice for those who wanted to learn more about the human body and its

functions.

Life and earth sciences, both semester courses, were involved with the complicated world on which we support our life system. Zoology looked deep into the study of animals, and also gave experience to hopeful veterinarians. Science provided many practical experiences for all the Lancers.

were offered. The sophomores contributed to the literary world with "Sophomore Writes," the annual writing magazine. Linguistics and semantics opened new worlds by helping students discover word roots and their meanings. The new and old testaments were also a literary offering at Lakewood in 1978.

Library/Media

This year, LHS students kept themselves busy by frequently visiting the library. With the help of Mrs. Moeller, the librarian, students were pointed in the right direction to find any information they wished. While some students

delved

into books, others found the Media Center more of a help. The center was usually occupied by students who were doing make-up work, or by those who wanted to use the center's equipment for extra-credit work.

Foreign Language/Home Economics

A few of the strange sounds coming from the foreign languge classrooms included "gutentag" and "oui." Along with offering courses in Spanish, German, and French, Latin was reinstated into the LHS curriculum.

Home economics meant more than just sewing a straight hem; it included sharing a

4. MRS. HARVEY has high praise for SUSAN PAYNE'S Lancerette pillow.
5. CHRIS MARSHALL finds a secret spot for leftover grease in foods and nutrition.
6. The total care of the child is explained by MRS. WOLFE.
7. MRS. GALVIN finds that pin hidden by LAURIE LELAND.

Physical Education

Among the few required courses on campus, PE rates as one of the more physical classes. With field hockey for the girls, volleyball for the boys, and modern dance for both, Lakewood has realized the end of stereotyped PE. There were many electives from which to choose. Some were:

weights

and jogging, tennis, basketball, badminton, softball, jazz, swimming, archery, and gymnastics. Many new physical fitness records were established this year which set high standards for the Lancer students to surpass.

Industrial Arts

The industrial arts department kept students interested by assigning projects for woods or auto mechanics. The department head, Mr. Carpenter, tried to create an easy going yet

productive

atmosphere for the students. Along with learning how to make a table out of a tree stump, regrinding your valves, and designing your dream home, the students learned the importance of safety while they worked. Other departmental offerings included metals, printing, and electronics classes.

8. MR. CHARD was happy to explain a new drafting technique to STEVE NEIGHBARGER and MARK HANNAH.

General Studies

Sophomore students were kept busy this year by the work given in their general studies classes. You and Your Money/ Career Guidance, Driver Education, and Health were once again a requirement for the year. Units on family

life

personal health, care, growth and development, and nutrition were studied in the health classes. The other general studies classes concentrated on the subject of using common sense in money decisions, choices of careers, and the rules and skills of driving.

Business Education

The clanging of busy typewriters, the ringing of adding machines, and the scribbling of shorthand pencils were just a few of the noises heard from the business education classrooms this year. Future secretaries, accountants, and stenographers were given a head start on their careers by

engaging

in the business classes. The Project INVEST class simulated the office of an insurance agency. The purpose was to give students the necessary training and to create an atmosphere in which they could function as an important part of an office team.

Art and Music

The department of Art and Music once again gave the Lakewood High School student a chance to create and broaden his artistic skills. As a reward for their long hard work on projects some of the lucky students

artwork

was displayed around the school in such areas as the library and the auditorium. Mr. Palombi headed the department of art for 20 years and inspired many of the students throughout the year.

Vocational Education

This year's Vocational Education program at LHS tried to give students the correct knowledge either about college or work experience. Regional Occupation Center/Program gave students a chance to work in the

field

of their choice, and learn at the same time. A few of the courses offered were Animal Care, Carpentry, Cosmetology and Fashion Merchandising. The Career Center gave students an opportunity to get information about jobs. Any business that needed some form of help, would post their information on the bulletin board. Students also used the Career Center to look through college catalogues.

5. CIVIS was a popular addition to the career center.

Lance

The 1977-78 LANCE, under the patient guidance of advisor Mr. Eugene Genisauski, provided Lakewood students with campus news of current interest. Page one stories concerning the prom, foreign students, and homecoming provided detailed information on LHS events. Staff members showed unusual

dedication

to publishing one of the finest high school newspapers in the area. New features, such as "Car of the Week," outlined some of the special interest of all students. An especially strong sports staff made up the nucleus of an overall excellent group of reporters.

Hi Shelley,

It was really great of you to help me try out for the talent show. Thank you. I really appreciated it. You are a very nice person, so don't ever change. Keep up the good piano playing. I wish I could play it as good as you do. Good Luck in eleventh grade and everything you do. See you next year. Have a wonderful summer. Love, your friend,

Congrats on
"good year!

Shelley,
I can't believe
no one has signed
here yet. I'm the
first. It's been a lot
of fun this year and
I hope you have as much
next. See ya in Sept.

Shelley
Dance was fun
especially the
winter Dance that
we performed with
D. Brown. It was
kinda fun. Good
Luck this summer
I hope I see you
next year in
don't go to college

Shelley,
I'm really glad that
I met you. This year you
are super nice. I'm so
sad that you are leaving
us. I'll really wanted to
get to know you better, maybe
you can call or write.

Shelley -
Gosh I can't
Believe this, I never
thought I was going to
see you again! But I was
sure surprised when I saw you
at lunch the first day of school.
When you wrote in my annual in 7th
grade I didn't realize that I was that
kind of friend to you (I HOPE THAT I STILL AM)
But, to get serious, you're a super Duper sweet
person, and I want you to tell me all about Iran,
Keep in touch (867-2970)

Love Always

Julie

Shelley...

Great meeting you this year.

You are a very talented girl.

You also make a terrific Brinker.

Have a long, relaxing summer. Good

luck next year. See you then.
